Subject: RE: Removal Notification and SMP disputes

I'm good with this extension. I believe we can wrap this up by December 7th. I will get with my assistant to propose scheduling a call for the week of 11/26.

Regarding the MOA, my staff has prepared an analysis but I have not been briefed on it yet.

Thanks,

Trey

Subject: Removal Notification and SMP disputes

Trey/Tony,

Both of the subject disputes end today. I will be in the air most of today and on travel for the next three weeks. I would propose that we extend both disputes until Dec 7. Hopefully we can find a time to talk before then.

Robert
